

ImGui::TableHeadersRow

```
graph LR; A[ImGui::TableHeadersRow] --> B[ImGui::TableGetHeaderRowHeight];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'ImGui::TableHeadersRow'. The right box is gray with a black border and contains the text 'ImGui::TableGetHeaderRowHeight' on two lines. A blue arrow points from the right side of the left box to the left side of the right box.
