

ImGui::BeginComboPreview

ImGui::PushColumnClipRect

ImGui::PushClipRect

```
graph LR; A[ImGui::BeginComboPreview] --> C[ImGui::PushClipRect]; B[ImGui::PushColumnClipRect] --> C;
```

The diagram illustrates a function call relationship. On the left, two white rectangular boxes are stacked vertically. The top box contains the text 'ImGui::BeginComboPreview' and the bottom box contains 'ImGui::PushColumnClipRect'. On the right, a gray rectangular box contains the text 'ImGui::PushClipRect'. Two blue arrows originate from the right side of the left boxes and point towards the left side of the gray box, indicating that both 'BeginComboPreview' and 'PushColumnClipRect' call 'PushClipRect'.
