/ResourceBase.cpp

```
graph TD; A["C:/Users/ys200/Desktop  
/SSS/2DHCop/DX11Game  
/ResourceBase.cpp"] --> B["ResourceBase.h"]; B --> C["string"];
```

A vertical flowchart with three rectangular boxes. The top box is shaded gray and contains a file path. A blue arrow points down from the bottom of the top box to the top of the middle box. The middle box is white and contains the name of a header file. Another blue arrow points down from the bottom of the middle box to the top of the bottom box. The bottom box is white and contains the C++ type 'string'.

ResourceBase.h

string
