

ResourceBase

```
classDiagram
    class ResourceBase
    class ResourceCSV
    ResourceBase <|-- ResourceCSV
```

A UML class diagram illustrating inheritance. At the top is a box labeled 'ResourceBase' with a light gray fill and a black border. Below it is a box labeled 'ResourceCSV' with a white fill and a black border. A solid blue arrow points vertically from the top center of the 'ResourceCSV' box to the bottom center of the 'ResourceBase' box, indicating that 'ResourceCSV' inherits from 'ResourceBase'.
