

ImGuiTextFilter::PassFilter

```
graph LR; A[ImGuiTextFilter::PassFilter] --> B[ImGuiTextFilter::ImGuiTextRange::empty];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'ImGuiTextFilter::PassFilter'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains two lines of text: 'ImGuiTextFilter::ImGuiText' on the top line and 'Range::empty' on the bottom line.

ImGuiTextFilter::ImGuiText  
Range::empty
