

ImFileOpen

```
graph LR; A[ImFileOpen] --> B[ImVector::resize]
```

A diagram showing a call from ImFileOpen to ImVector::resize. It consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'ImFileOpen'. The right box is white and contains the text 'ImVector::resize'. A blue arrow points from the right side of the gray box to the left side of the white box.

ImVector::resize
