

ImGui::SetCurrentFont

```
graph LR; A[ImGui::SetCurrentFont] --> B[ImFont::IsLoaded]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'ImGui::SetCurrentFont'. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white and contains the text 'ImFont::IsLoaded'.

ImFont::IsLoaded
