

ImGui::GetMouseDragDelta

ImGui::UpdateMouseMoving
WindowNewFrame

ImGui::IsMousePosValid

```
graph LR; A[ImGui::GetMouseDragDelta] --> C[ImGui::IsMousePosValid]; B[ImGui::UpdateMouseMoving WindowNewFrame] --> C;
```

The diagram illustrates a dependency or call relationship. On the left, two white rectangular boxes are stacked vertically. The top box contains the text 'ImGui::GetMouseDragDelta'. The bottom box contains the text 'ImGui::UpdateMouseMoving' followed by 'WindowNewFrame' on a second line. On the right, there is a gray rectangular box containing the text 'ImGui::IsMousePosValid'. Two blue arrows originate from the right side of the two white boxes and point towards the left side of the gray box, indicating that both functions on the left call the function on the right.
